Atenção

Esta é uma tabela de referência para pesos e medidas dos materiais presentes neste impresso. A Alloybr reserva-se o direito de alterar pesos e medidas sem necessidade de aviso prévio. Consulte nossos vendedores ou departamento técnico. Em caso de diferenças entre os pesos e/ou medidas aqui presentes, serão válidas as informações atualizadas em nosso sistema.

A Alloybr

Fundada em 26 de fevereiro de 2018 em Blumenau - Santa Catarina, sob o nome de Alloybr, empresa jovem, porém conta com profissionais com mais de 20 anos de experiência nos mercados industrial e construção civil, sendo assim uma referência em matéria-prima de alumínio.

Estrutura

Sua sede ocupa uma área de aproximadamente 2.000 m², onde centraliza sua logística de suprimentos aos clientes e filiais.
